BRIGHT HOUSE NETWORKS BAKERSFIELD DIVISION ANNOUNCES LAUNCH OF MGM IN HIGH DEFINITION

BAKERSFIELD, CA, August 7, 2008 – Bright House Networks Bakersfield Division announced today that MGM High Definition has been added to its HD channel lineup in Bakersfield and Tehachapi on digital channel 61.

This channel will now be available to HD customers who enjoy a robust line-up of 28 high definition channels that are delivered over Bright House Networks fiber rich system.

Joe Schoenstein, Division President of Bright House Networks Bakersfield Division explains, "As long as we've had the privilege of serving customers in this area, we have invested significantly in our fiber rich infrastructure. These investments allow us to carry the best, most widely requested HD programming."

MGM HD is available on the high definition tier for a low monthly fee. It joins other popular HD channels including HDNet 1 & 2, MOJO, and NBC's Universal HD.

Bright House Networks HD customers also enjoy 17 free HD channels including local broadcasters KGET, KBAK, KERO, KBFX and KVPT as well as customer favorites such as National Geographic, History, ESPN and TBS in high definition. KBFX is currently available in HD exclusively on Bright House Networks. The newest additions to the HD line-up include Animal Planet, Discovery and The Learning Channel.

MGM HD is owned by Metro Goldwyn Mayer and is part of the MGM Network. It features movies from MGM's library of approximately 1,200 movies filmed in high definition compatible format as well as feature films from their library of 4,100 theatrical titles.

For more information on services available from Bright House Networks, please contact our Customer Service Representatives at 661 at 661-323-4892.

About Bright House Networks

Bright House Networks is the nation's 6th largest MSO with over 2 million customers in several large markets including Bakersfield, California; Birmingham, Alabama; Detroit, Michigan; Indianapolis, Indiana; Orlando, Florida (Central Florida Division); and Tampa Bay, Florida, along with several other smaller systems in Alabama and the Florida Panhandle.

Almost all Bright House Networks customers have Digital Phone, high-speed data (HSD), Video-on-Demand (VOD) and Subscription Video-on-Demand (SVOD) available to them. Bright House Networks also makes available Digital Video Recorders (DVR) that have become immensely popular with customers. Since its introduction, HDTV has achieved impressive acceptance with Bright House Networks customers who are equipped to receive the signals.

Exceptional customer service is the company's cornerstone of its business and top priority across all operating units. Bright House Networks local, customer service centers are available 24 hours per day, seven days per week, including holidays. Public affairs, social responsibility and community involvement continue as major initiatives for the company as an ongoing commitment to the families and communities Bright House Networks serves. This includes long-term commitments to education and to what matters in the lives of the Bright House Networks customers. Bright House Networks operations are proud supporters of and partners in children's safety initiatives, enhanced education programs, and community-wide efforts to invest in the future of children.

Bright House Networks is owned by the Time Warner Entertainment – Advance/Newhouse Partnership – and managed on a day-to-day basis by Advance/Newhouse Communications.
